**Zeninvest provides you Lowest Cost EMI loans on your Existing Investments in the Market .**

**PRE-APPROVED**

**Why lowest costs EMI Loans? even with 10.5% rate because**

**Your Investment **Compounds the duration of the Loan** amount you choose to take**

**Paying **only the Interest Rate** Not even EMI**

**Part Payment allowed **we don't trapped you in only Fix full payment conditions** like existing Credit Line Providers Products from Bank and NBFCs**

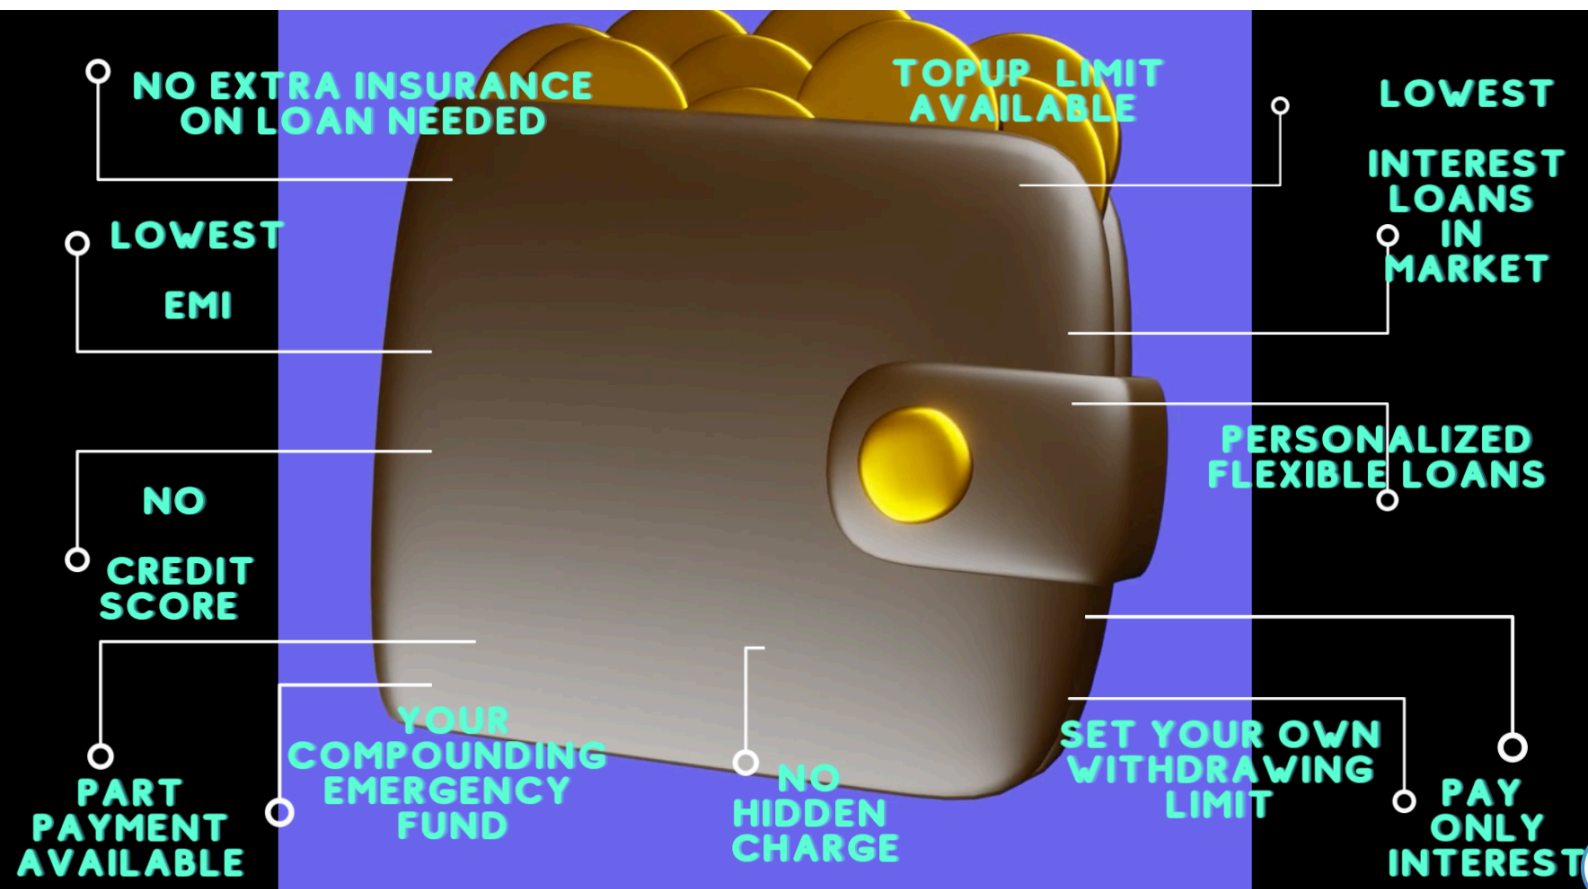

**From around 7% to 20% and more**

**Even with fix income generating to more riskier ones**

**Effectively Reducing the Pressure to pay your Principle**

**Amount as it Doubles almost after 5-6 years range** \*subjected to market conditions but in that case Zenvest allows you to increase your pledge security to match the collateral value analysed with our proprietary Analytics Solution.

**Some More Features in Short**
